Total Hours Worked (Year)	2,756	2,756	2,756	2,756	2,756

Retirement

This position will be required to pay into the Ohio Police & Fire Pension fund (OP&F). The employee contribution will be automatically deducted from the employee's paycheck. The employee's contribution is 12.25% of the employee's gross salary. For those who become an OP&F member after July 1, 2013, normal service retirement is 25 years of service and age 52. Those who become members after July 1, 2013, may still retire at age 48 with 25 years of service, but with a reduced benefit. Beginning November 1, 2017, and every 5 years afterward, the OP&F Board has the authority to adjust the age and service credit requirements (higher or lower). The average annual salary will be calculated using the highest 5 years of salary.

Insurance

Berlin Township will provide medical (Medical Mutual of Ohio), dental (Delta Dental), and vision insurance (VSP) to the employee and qualified family members through a traditional health care plan. The employee will be responsible for 10% of their health insurance premium. For example, the health insurance premium is \$500.00 per month the employee would be responsible for \$50.00 per month, \$25 per paycheck. Additional accidental death and dismemberment insurance is also provided.

Overtime Compensation

This position is eligible to receive overtime and will be required to work mandatory overtime. The employee can choose if they receive overtime (1 ½ times the current hourly rate) or they may elect to use compensatory time (1 ½ times the amount of hours worked in an overtime status). Employees can carry up to 480 hours of compensatory time.

Holiday Compensation

This position will be required to work certain legal holidays. The employee can choose if they receive holiday pay (1 ½ times the current hourly rate) or may earn holiday time (1 ½ times the amount of hours worked on a legal holiday) for actual time worked on a legal holiday. Full time employees can carry over 56 hours of holiday time.

Vacation Leave

This position will receive vacation time after 1 year of continuous service with Berlin Township. The Vacation Time accrual is listed below and 120 hours of vacation time can be carried over from calendar year to calendar year.

Years of Continuous Service	Hours of Vacation Earned	Shift Days of Vacation
Year 1 – Year 5	120	5 days

Year 21 -	336	14 Days

Sick Leave

This position will receive 12 hours of sick leave per pay period and can accrue an unlimited amount of sick time.

The hiring process for this position will consist of the following components:

Step 1, Panel Interview

The interview will consist of a panel of interviewers asking questions about the candidate's application, general work ethic, and general character based questions.

Step 2, Scenario Exam

The Scenario exam will consist of different scenarios that a firefighter/EMT could come in contact with. The candidates will be scored based upon how they respond and the actions they take during the presented scenarios.

Step 3, Conditional Job Offer

Upon approval of the Fire Chief and the Berlin Township Board of Trustees a conditional employment offer will be made to the candidate pending the results of the medical exam.

Step 4, Medical Exam

A medical exam will be conducted on the applicant by Mount Carmel Occupational Health.

Step 5, Hire Date

Upon successful completion of the medical exam a hire/start date will be established and the candidate will start their employment with Berlin Township.

SCHEDULE

June 23, 2017: All required paperwork must be submitted by 5:00PM

June 2017: The Panel exam will be conducted and will be followed by the scenario exam. Both exams will be scheduled for the same day.

July 2017: Conditional offer made

August 2017: Employment with Berlin Township Fire Department to begin

Berlin Township Fire Department

Job Description

Established: April 6, 2016

Updated: June 3, 2017

FIRE CAPTAIN

This is a public service job based on trust, credibility, and competency. It is a critical requirement of this position that the incumbent displays the desire and ability to perform and behave (on duty, as well as off duty) in a manner that does not damage or endanger the loss of trust with the public, co-workers, and other public service forces. Duties are performed under a variety of known and unknown working conditions that may be dangerous to one's health and well-being. The Fire Captain reports directly to the Fire Chief or his/her designee.

Position Description:

The Captain is responsible for administrative, supervision, and management of the Fire Department. The Captain is assigned to a shift that is responsible for fire suppression, hazardous material response, rescue operations and emergency medical services.
